

[MAY 1st 2017]

COMPANY PROFILE

Competition is creating new challenges in an increasingly globalized market. This is why MKE Industries presents its importation line called Distribution MKE.

MKE imports equipment to offer restaurant operators the possibility of acquiring attractively priced professional kitchen equipment.

MKE's manufacturing expertise ensures that imported goods meet industry expectations in terms of price and quality.

MKE Industries remains the only Canadian company to design and build quality kitchen equipment in the three niche markets: cooking, refrigeration and custom manufacturing.

To be well informed and make the choices that suit you best, do not hesitate to refer to your representative or customer service.

GLASS DOOR REFRIGERATORS

IMK-RI-23G

**IMK-RI-352SD
IMK-RI-422SD**

- Low-e double pane glass doors
- INTERIOR: white aluminum interior liner with stainless steel floor
- EXTERIOR: white steel and plastic top sign panel with lamp
- self-closing door(s)
- Electronic thermostat and digital LED temperature display for accurate control and easy reading
- Magnetic gasket can be replaced without any tools
- CFC free refrigerant and foam
- R134a refrigerant
- 4" casters included with, locks provided on front set for model IMK-RI-352SD and IMK-RI-422SD
- Frame rail fitted with appliance rollers and front standard adjustable legs for model IMK-RI-23G

Model	Door(s)	Shelves	Capacity	Width	Depth	Height	HP	List Price
IMK-RI-23G	1 swing door	4	23 cu. ft.	26 7/8"	32"	79 1/2"	1/4	\$ 2,540

MKE DISTRIBUTION WARRANTY PROGRAM

REFRIGERATED EQUIPMENT

LIMITED ONE-YEAR PARTS AND LABOR WARRANTY – IMK SERIES

MKE Distribution warrants this product is free from defects in material and workmanship, under normal use and service, for a period of one (1) year from the date of shipment from MKE Distribution warehouse. During this one year warranty period, MKE Distribution shall or, at MKE Distribution's option, replace parts determined by MKE Distribution to be defective in material or workmanship and/or will reimburse labor costs according to the conditions and rates established by MKE. Any warranty service request should first be directed to MKE Distribution customer service that will validate the warranty, issue a pre-authorization and coordinate the service call. Note that the 7-digit serial number that appears on the unit must be legible and unaltered and match the one on your original invoice copy to be provided.

Warranty does not cover standard wear parts which include door gaskets, incandescent bulbs or fluorescent bulbs, glass components.

Warranty does not cover issues caused by improper installation or lack of basic preventative maintenance which includes regular cleaning of condenser coils, blades of the fan or any issue relevant to an obstruction of the air inlet to compressor. Condenser requires scheduled cleaning at least every thirty days. A dirty condenser can result in non-warranted parts and compressor failures. Do not obstruct the air intake in front of the compressor panel.

Drier replacement is very important and must be changed when a system is opened for servicing. The new drier must be the same capacity as the drier being replaced.

Never use an extension cord: MKE Distribution will not warranty any unit that has been connected to an extension cord. The warranty does not cover improper or unstable voltage.

IMK-GG

LIMITED ONE-YEAR PARTS AND LABOR WARRANTY - MK-GG-52, IMK-GG-57

In addition to the warranty conditions of the refrigeration equipment, the SERIE IMK-GG refrigerator has certain restrictions: The Grab N Go (GG serie) refrigerator AIR CURTAIN UNIT recommends operating conditions, namely an environment not exceeding 75dF (23dC) and 55% humidity, not installed in direct sunlight or near doorway or near fans or improper clearance for air flow. Air flow requires a 4" clearance at rear, and 12" above. This IMK-GG refrigerator should be connected to an individual branch circuit. A dirty condenser can result in non-warranted parts and compressor failures. All recommendations of the manufacturer must be respected or the warranty will be void.

Warranty does not cover issues caused by improper installation, misuse or lack of basic preventative maintenance.

TABLES, SHELVES, POT SINK AND UTILITIES EQUIPMENT

LIMITED ONE-YEAR PARTS AND LABOR WARRANTY

MKE Distribution warrants this product to be free from defects in material and workmanship, under normal use and maintenance, for a period of one (1) year from the date of shipment from MKE Distribution warehouse. During this one year warranty period, MKE Distribution shall or, at MKE Distribution's option, replace parts determined by MKE Distribution to be defective in material or workmanship and/or will reimburse labor costs according to the conditions and rates established by MKE Distribution. Any warranty service request should first be directed to MKE Distribution customer service that will validate the warranty, issue a pre-authorization and coordinate the service call. Note that the 7-digit serial number that appears on the unit must be legible and unaltered and match the one on your original invoice copy to be provided.

THE WARRANTY DOES NOT COVERED:

- Service calls that are not related to a manufacturing defect of faulty material;
- Service calls to check the installation of the device or for instructions on its use;
- Service calls resulting from improper usage or installation or adjustment or failure to clean and/or maintain product as per recommendation of the manufacturer;
- Service calls not authorized by MKE Distribution (without first having obtained a pre-authorization number's);
- Damage caused by substandard repairs, or repairs made by unauthorized technicians;
- Standard wear parts which include door gaskets, incandescent bulbs or fluorescent bulbs, glass components, knob, ring, pyrorock plate and similar;
- Use of non MKE Distribution parts without their approval or alteration of the original equipment will void warranty;
- MKE Distribution is not responsible for the repair or replacement of failed or damaged components resulting from incorrect supply voltage, the use of extension cords, low voltage, or unstable supply voltage;
- Costs for the repair or replacement of defective parts related to gas lines, leaks, recharging of refrigerant that could be due to damage during transport or handling;
- Economic loss, profit loss, or special indirect or consequential damages, including without limitation, losses or damages arising from food or product spoilage claims whether or not on account of refrigeration failure
- Costs related to making the appliance accessible for repair, for example, removing add-ons that were not part of the appliance when it originally left the factory;
- Additional costs such as for delays caused by the customer and beyond the control of the authorized service company MKE Distribution or MKE Distribution;
- Additional costs, including but not limited to service calls outside of the repair technician's normal working hours, weekends, holidays, tolls and charges, travelling costs beyond a 40 km-radius of an authorized MKE Distribution service company, tolls, charged to reach isolated location without being annually accessible by road;
- Damage caused during freight or handling after shipment from MKE Distribution warehouse;
- Alteration, neglect, abuse, misuse, accident, damage during transit or installation, fire, fold, acts of God.
- **STAINLESS STEEL.** Stainless steel surfaces react with aggressive agents. Surfaces should be maintained and dried immediately after use, using only a soft cloth and soap-free (limestone-free) water, or a cleaner specifically designed for stainless steel. High-chloride cleaners, caustic solutions, abrasive steel-fiber cleaners, deposits of high-acid or chloride-containing foods, items left behind can lead to the appearance of corrosion. Also the engravings in depth contained the protective layer of the property of the stainless steel and favor the appearance of rust. Since the maintenance, use and environment in which the unit is operated are factors beyond the control of MKE Distribution, corrosion of metal and stainless

steel and the appearance of rust are not covered by this guarantee.

WOODEN WORKTOP

It is a natural material and not passive in a area with high humidity. It is also important to prevent the surface from being in contact with excess water or liquid. The wooden worktop should be cleaned with a soft cloth lightly soaked with soapy water. When completely dried, it must be regularly covered with a coating of vegetable oil to seal it against humidity. Since maintenance and environmental moisture levels are factors beyond the control of MKE Distribution, alteration, deformation, and detachment of wood surfaces are not covered by this warranty; Before placing a service call, it is the responsibility of the customer to ensure that the problem does not arise from improper installation or energy supply, improper adjustment or use, because in all these cases are not covered by this Limited Warranty and the sole and exclusive responsibility of the customer.

EXCLUSIONS:

- This warranty is not assignable and applies only in favor of the original purchaser/user to who delivered originally. Any such assignment or transfer shall void the warranties herein made and shall void all warranties, express or implied, including any warranty of merchantability or fitness for a particular purpose.
- Removal or defacement of the original serial number or model number form any unit shall be deemed to release MKE Distribution from all obligations hereunder or any other obligations, express or implied.
- MKE Distribution is not responsible for the repair or replacement of any part that MKE determines have been subjected after the date of manufacture to alteration, neglect, abuse, misuse, accident damage during transit or installation, fire, flood, or act of God.
- Equipment installed in mobile units.
- Equipment damaged by causes beyond the control of MKE Distribution/MKE including, but not limited to, transport, fire, flooding, power supply changes, unauthorized third party repair MKE Distribution/MKE, vandalism, labor dispute, disaster or act of God.
- Non-commercial use: MKE Distribution/MKE assumes no liability and will not warranty any equipment for parts or labor coverage for component failure, factory defect or any other damages for units installed in non-commercial foodservice or residential applications.
- MKE Distribution/MKE are not responsible for the cost to move equipment for any reason from its position of operation on the customer's premises to make a warranty repair.
- Devices sold "as is" are not covered by any warranty.
- MKE Distribution/MKE are not responsible for economic loss, profit loss, or special indirect or consequential damages, including without limitation, losses or damages arising from food or product spoilage claims whether or not on account of refrigeration failure or due to MKE Distribution/MKE's inability to deploy a service company or an employee, or act of God.
- MKE Distribution/MKEs will not warranty any equipment that has been connected to an extension cord, if connected to a modified or damaged power supply cords.
- **LIMITATIONS OF LIABILITY**
 - The above constitutes MKE Distribution/MKE's sole and unique obligation under the terms of the present Limited Warranty, with regard to equipment, products and services. Regarding equipment, material, parts and accessories manufactured by third parties used or not in the manufacturing process, MKE Distribution/MKE's sole obligation shall be to endeavour to obtain full indemnity corresponding to the manufacturer's warranty. MKE Distribution/MKE assumes no responsibility, whether in contract, criminal, negligence or other manner, with regard to parts manufactured by third parties.
 - The preceding paragraphs outline the exclusive remedy for all claims based on a breakdown or defect of the products and services sold here, whether the breakdown or defect appears before or during the warranty period and a claim, while instituted, is based on a contract, indemnity, warranty, criminal (including negligence), strict liability, implied status, Common Law or other, therefore MKE Distribution/MKE, their employees, representatives, agents, administrators and owner shall not be held liable for claims made against bodily harm or damages of any kind. All responsibility shall automatically end upon the warranty period expiration date.
 - The foregoing warranties are exclusive and in lieu of all other warranties, whether oral or written, implied or statutory. No implied warranty of merchantability or fitness for a particular purpose shall apply. MKE Distribution/MKE do not warrant products, components or services of third parties.
 - MKE Distribution/MKE shall not be liable in any manner for any default or delay in performance hereunder caused by or resulting from any contingency beyond MKE Distribution/MKE's control, including, but not limited to governmental restrictions or restraints, freight, strike, lockouts, injunctions, fire, food, acts of God, short or reduced supply of raw materials, or discontinuance of the parts by the original part manufacturer.
 - There are no other warranties, express, implied or statutory, except as set forth on pages 52 to 56 of this effective document dated April 15, 2017, for any device purchased as of that date which takes precedence over Any other document, including any MKE Distribution/MKE information circulating freely. These warranties are exclusive in lieu of any other warranty. There is no warranty that exceeds the description herein.
 - There is no liability of MKE Distribution/MKE for any material, bodily injury, risks and dangers incurred by a user who does not have the skills, judgment, ability and knowledge to safely use / operate a MKE Distribution manufacturing equipment, including for the risk of death.
 - There is no liability of MKE for the alteration or absence of the instruction and data sheets affixed to an appliance after it has been shipped from the MKE Distribution warehouse.
 - MKE Distribution/MKE sole obligation under this warranty is limited to either repair or replacement of parts, subject to the additional limitations of the present.
- This warranty does not assume or authorizes any person to assume any obligations other than those expressly covered by this warranty.
- Outside Canada: this warranty does not apply to, and MKE Distribution/MKE are not responsible for, any warranty claims made on products sold or used outside Canada. This warranty only applies to units shipped from MKE Distribution's warehouse facilities after April 15, 2017.

COMMERCIAL USE ONLY

MKE Distribution/MKE assume no liability and will not warranty any equipment for parts or labor coverage for component failure, factory defect or any other damages for units installed in non-commercial foodservice or residential applications.

HOW TO PROCEED

It is the client's responsibility to ensure the problem does not stem from improper installation, adjustment or use, given that in all these cases any expenses incurred shall not be covered by the Limited Warranty, and shall be the customer's sole responsibility.

The client, the original-purchaser, shall obtain a pre-authorization reference number from MKE Distribution Customers Services before processing or making arrangements for a repair; if their condition in not respected, MKE Distribution/MKE reserve the right to reduce all claims.

HOW TO OBTAIN WARRANTY SERVICE

- 1- Make a request on-line, by fax or telephone, in order to inform MKE Distribution about the equipment, the nature of the problem and provide proof of purchase and date of installation;
- 2- MKE Distribution will verify whether the warranty period is still in effect;
- 3- MKE Distribution will provide an authorization number and the coordinates of an authorised service representative in your area so that you can make the necessary arrangements to schedule a repair;
- 4- This authorization shall be provided subject to all conditions being met and the nature of the defect falling under the responsibility of MKE Distribution, at their sole discretion;
- 5- The defective parts, proof of purchase and installation date, and the repair invoice bearing the customer's signature must be forward postage prepaid to Customers Services;
- 6- The customer shall deal with the service agent in its region authorized by MKE Distribution;
- 7- The customer shall cooperate with the authorized MKE Distribution service agent to ensure that the repair can be made during the agent's normal business hours.
- 8- The customer shall return the defective parts within 30 days following the repair date: otherwise the claim shall be rejected.

GOVERNING LAW

For equipment, products and services sold in Canada, the present Limited Warranty shall be governed by the laws in effect in the province of Québec, Canada. The United Nations Convention on contracts for the International. Sale of Goods is hereby excluded in its entirety form application to this Limited Warranty.
